Re: SPO Alert - Updated Insurance Modules on Risk Website

SPO Compliance has partnered with ADOA Risk Management to update the formatting in the word version of the insurance modules. The updated formatting should allow procurement officers to easily copy-and-paste the appropriate insurance modules into their solicitation document. It is now available on their website at:

<https://staterisk.az.gov/insurance/insurance-modules>

Please note: In order to ensure that you are utilizing the most updated version(s), please refrain from saving the file(s) (as it/they will be a static version). Instead, always use the link(s) above to be confident you have retrieved the most recent version(s).

If you have any questions, please contact SPOCompliance@azdoa.gov.

Thank you,

SPO Compliance
